

Library Barcode Labels and Patron Cards

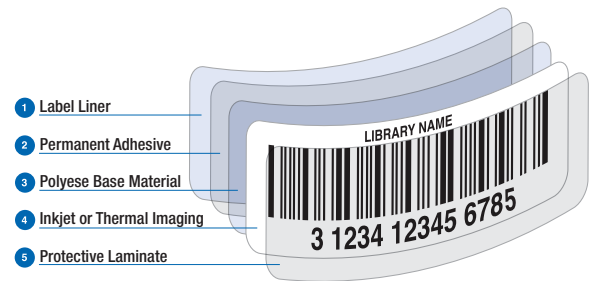

**IHLS Members
Save 25%**

Proudly serving the Illinois Heartland Library System since its inception.

ID Label library products feature:

- High-quality, laminated barcode labels for library materials, CD/DVDs and patron cards
- Durable polyester stock that resists yellowing and fading
- Compatibility with any library automation system

Featuring ID Label's specialized library services:

- Custom library database where number sequences and orders are stored for easy and error-free re-ordering
- Premium quality and workmanship at low IHLS pricing
- Quick turnaround
- Custom design options

Since our start in Illinois more than 20 years ago, ID Label has been one of the nation's leading manufacturers of barcode labels for libraries—and we're proud to have continuously served IHLS members since the consortium was formed.
