Public Comment

None

FY2018 System Area and Per Capita Grant

Review of draft Plan of Service. Along with the goals to support resource sharing and access, this plan adds new projects:

--IHLS advocacy focus leads to creation of advocacy tools for our member libraries and a focus on IHLS through our rebranding project

- record retention for four legacy library systems and IHLS records
- increased awareness of existing membership standards
- focused outreach to school library community re: resource sharing
- continue to focus on full participation in resource sharing as stated in revised system standards
- driver training program for improved customer service
- explore the concept of e-resource sharing across membership and consortia

The board also reviewed the draft Capital, General and SHARE Budgets:

- Exhibit A: staff positions included in budget, both current positions and planned positions for FY2018
- Exhibit B: delivery fleet table

Board requested new vehicle purchase information be included in May 25, 2017 board meeting packet.
