RE: FY2022 General Budget Amendment

On October 8, 2021, IHL S received an award letter from Secretary of State Jesse White for the Road to Recovery grant in the amount of \$25,000.00. Funding for this grant was awarded by the Illinois State Library, a Department of the Office of the Illinois Secretary of State, using funds provided by the U.S. Institute of Museum and Library Services, under the provisions of the American Rescue Plan Act.

These funds will be utilized to purchase materials and services that will support a cleaner environment, but also strengthen the message to staff that their health and safety is of critical importance as we continue through a global pandemic.

Please find our amended General Fund budget attached for your review and consideration to present to the Executive Committee at their November 10th meeting. The proposed amendment will need final approval by the board at their November 23rd meeting.
