RE: Staffing Update

The following represents new hire recommendations for the month of October. We look forward to onboarding our new Operations team members as soon as we can.

This month we send best wishes to a longtime colleague in our Carbondale office. A steady presence during the migration to the Polaris database and a trusted teacher to catalogers across our service area, we recognize and thank Shelley Stone for nearly 40 years' service to Illinois library systems. Patrons in our member libraries and beyond have been positively impacted by her insistence on high bibliographic standards made possible by the SHARE Bibliographic Services training program that rivals any in the state. For the past 3 years her influence has been focused on leading the SHARE Consortium as Bibliographic Services Manager. We wish her the best in her future endeavors and will miss her terribly.
