 RE: FY2017 Board Citation Schedule

As we begin a new board year I thank you in advance for your service to our 526 multitype member libraries. I look forward to working together to improve our current services and identify solutions to our most pressing funding challenge.

One of the requirements of library system board members is the review of and compliance with several laws and regulations pertinent to the oversight of system activities. (See 23 ILAC 3030.265 b)7.) In FY2016 the board adopted a practice of individual board members reviewing citations at each meeting.

At their July 20 meeting, the executive committee determined we would follow the same practice this year. Please consider the schedule below and the citations(s) you are willing to review. The Chair will seek volunteers at the July 26 meeting.

Thank you.
