### *SHARE News*

SHARE staff are finalizing the figures needed for the IHLS Finance team to send FY2017 bills for SHARE membership and cataloging service fees in mid-July. Though we all know that we still have no Illinois budget, at this point in time, we do not expect to have to raise member fees for the coming year.

Probably the biggest news continues to relate to adding new members to SHARE. While three transitional members changed their minds about joining SHARE, three more libraries quickly took their slots in the queue. And, with only a week left to go until the end of the Dream Grant, two more libraries have signed the Transitional Agreement to join SHARE, and three more are still thinking about it. So, while our goal was to add 40 new members under the Dream Grant, we are now—with eight days left until the end of the Dream Grant—at a total of 77! And, by the way, that puts the total number of SHARE libraries at 482.

Another goal we've set is to have a new and improved SHARE website up and running by July 21. Our hope is that everyone will find this new website to be more user-friendly and easier to search.
