

Operations Board Report August 2015

Delivery Accomplishments

Online auction 2-- We sold 4 more vehicles for \$3,405.00. This brings us to 10 vehicles sold for a total of \$9,820.00! Will be putting the last ones up one more time, then remaining will be sold to a junk yard.

Delivery Outreach

Visited Mattoon Public Library and Tolono Public Library. Both directors were gracious and had some really good ideas to share.

Rode a route with Champaign driver, Jerry Mortenson. Was able to visit with several libraries.

Attended webinar "Conflict Management" given by the Management Association.

Building Updates

Champaign

Roof has been patched. Will provide temporary fix until we determine what our next step will be.

Du Quoin

Ellen Popit and I were able to visit several possible locations for a Du Quoin relocation. Staff has been very helpful in sharing sites that might work for us.

Edwardsville

Parking lot has been re-stripped.

Respectfully submitted,

Susan Palmer
