SHARE Report

SHARE member fee invoices for FY16 were mailed at the end of July. Finance and SHARE staff are answering questions and making adjustments according to changes requested by member libraries.

All transitional members have been billed, as well, for either half their normal member fee (those libraries who are getting ready to barcode and those libraries that are working on barcoding their collection) or full member fees (those libraries who are now live on Polaris, or are going live as school starts).

SHARE staff are working on gathering information to send invoices for cataloging fees for FY16 in September.
